SUMMARY

Credit and loan operations professional with three years at JP Morgan and Allvue reviewing credit agreements, resolving settlement breaks and protecting P&L integrity through cash reconciliation and operational controls. Comfortable turning settlement data into escalation points that reduce risk exposure.

EXPERIENCE

JP Morgan

Jan 2023 to Present

Loan Closer

- Kept every deal settlement compliant by reviewing credit agreements and creating LMA documentation for counterparty trade settlement.
- Settled high volume Par loan trades end to end across primary and secondary markets, working with counterparties to hold speed and accuracy high and keep cash break exposure to a minimum.
- Built routine Excel reports that surfaced operational bottlenecks and escalation points, letting the team fix settlement efficiency before it slipped.
- Covered first line support for adhoc requests, resolving issues that could have led to unsettled trades, delayed settlement or agency escalations.
- Cleared counterparty settlement queries by chasing SWIFT confirmations directly, keeping trades on track to settle.
- Ran Loan IQ and ClearPar daily to settle trades accurately, syncing records across internal systems for clean recordation, compliance and settlement.
- Partnered with technical and non technical stakeholders to keep operations running smoothly across the business.

Allvue Systems

Feb 2022 to Aug 2023

Operations Specialist

- Serviced broadly syndicated loan products, processing agent bank notices for clients and confirming interest payment calculations matched deal terms.
- Reconciled cash across internal systems and agent bank records, finding and clearing discrepancies to protect financial accuracy and P&L integrity.
- Coordinated between internal teams and external counterparties as a key operational contact, resolving queries and keeping loan administration seamless.
- Improved system performance and workflows alongside clients and colleagues, lifting processing efficiency and cutting error rates.
- Completed the LMA Understanding the Loans Market Certification, grounding the work in syndicated loan structures, market conventions and deal documentation.

Jaeger, M&S Brand

Jan 2020 to Oct 2020

Luxury Consultant

- Handled a high value client base as primary contact, delivering tailored service and building the kind of relationships that carry over to buy side clients such as asset managers.
- Completed operational tasks 10% faster than average associates while holding accuracy and process standards steady under pressure.
